

# FAMILY CAMP!

**August 18-21, 2025**

**FAMILY CAMP!** is designed to strengthen and help your family. We trust that you will take advantage of this great opportunity to fellowship with other families from across the island of Newfoundland and that you will also use this time to build the relationships in your own family. The days consist of Bible preaching, good music, great food, organized activities for you and your children plus lots of free time, and so much more! As this camp will be running simultaneously with our **T.E.E.N. CAMP!**, we will be offering split sessions in the morning for each age group and an evening preaching service for everyone. There will be plenty of free time for families to do things together, and there will also be some organized activities in which you may want to be involved.

There are a few areas with which we will need your help. All children age 11 and under must be accompanied by an adult for the entirety of camp. You are asked to know where your children are at all times. There will be activities in the mornings for each age group, but the afternoons are basically time for you and your family to spend together. You will have access to some sports equipment, and there may be opportunities to join in on some of the teen activities. You are allowed to leave the campground for shopping or sightseeing, but it is important that we know you are leaving and who is going with you. Thank you for your cooperation in these areas. We look forward to seeing you at camp!
